

WELCOME TO KINDERGARTEN

**We're so happy to have you and your child
join our Regina Catholic Schools community.**

The Regina Catholic Division provides a faith-based, student-centered, and results-oriented Catholic education. With the community and the local church, we foster academic excellence and the development of informed, responsible citizens.

As a school division, we are proud to have a long-standing history of excellence in Early Learning. Our Early Learning program consistently leads provincial measures of student academic and social progress, ensuring your child receives a strong foundation for their future education.

To stay connected with the school and division staff, we encourage you to use our web-based platforms. Edsby is the primary tool for following your child's academic progress, reporting attendance, and communicating with the school. It's an easy-to-use platform that allows you to stay up-to-date on your child's academic journey.

Additionally, we highly recommend that you download the FirstView app to track your child's bus. This app provides real-time updates on your child's bus location, estimated arrival times at their stop and when their bus arrives or departs the school.

We are excited to embark on this journey with you and look forward to a successful year ahead.

May God our Creator bless your family as we enter this stage of your child's life.

Shauna Weninger
